Customer Proprietary
Network Information (CPNI)

January 27, 2012

Under Federal Law, we have the duty to protect the confidentiality of your telecommunications service information. This information includes the type, technical arrangement, quantity, destination, billing and amount of telecommunications services you use.

International Communication Services, Inc. offers a variety of services including long distance services, consulting, engineering, sales, installation and service of telecommunication systems. Use of your information will permit us to offer you a complete package of services tailored to your specific needs on an on-going basis and to advise you of additional telecommunications that may assist you in your business.

International Communication Services, Inc.'s authorized representatives may use your telecommunications service information without further authorization by you to offer you the type of services you already purchase from us and to offer enhancements to the International Communication Services, Inc. services you receive now.

International Communication Services, Inc. will in no way release your service information to any other marketing agency, sales company or business.

If you wish to restrict us from offering further services to you please register your request by email to praterrc@bellsouth.net with "CPNI opt-out" in the subject line or by fax to 770-460-5249. You may change your decision at any time and your decision will remain valid until you inform us otherwise. Your decision will not affect the type or level of service you receive from International Communication Services, Inc.. For more information or to answer any questions feel free to contact us at the office number listed below.

As always we thank you for your business!
